14 CFR Part 71

[Docket No. FAA-2019-0834; Airspace Docket No. 19-ASO-22]

RIN 2120-AA66

Proposed Amendment of the Class E Airspace; Bowling Green and Somerset, KY

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: This action proposes to amend the Class E airspace area designated as a surface area and the Class E airspace extending upward from 700 feet above the surface at Bowling Green-Warren County Regional Airport, Bowling Green, KY, and Lake Cumberland Regional Airport, Somerset, KY. The FAA is proposing this action as the result of the decommissioning of the Bowling Green VHF omnidirectional range (VOR) navigation aid, which provided navigation information for the instrument procedures at these airports, as part of the VOR Minimum Operational Network (MON) Program. Additionally, the name and geographic coordinates of Lake Cumberland Regional Airport would also be updated to coincide with the FAA's aeronautical database.

DATES: Comments must be received on or before **[INSERT DATE 45 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

ADDRESSES: Send comments on this proposal to the U.S. Department of Transportation, Docket Operations, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590; telephone (202) 366-9826, or (800) 647-5527. You must identify FAA

Docket No. FAA-2019-0834; Airspace Docket No. 19-ASO-22, at the beginning of your comments. You may also submit comments through the Internet at <https://www.regulations.gov>. You may review the public docket containing the proposal, any comments received, and any final disposition in person in the Dockets Office between 9:00 a.m. and 5:00 p.m., Monday through Friday, except federal holidays.

FAA Order 7400.11D, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at https://www.faa.gov/air_traffic/publications/. For further information, you can contact the Airspace Policy Group, Federal Aviation Administration, 800 Independence Avenue, SW, Washington, DC 20591; telephone: (202) 267-8783. The Order is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of FAA Order 7400.11D at NARA, email fedreg.legal@nara.gov or go to <https://www.archives.gov/federal-register/cfr/ibr-locations.html>.

FOR FURTHER INFORMATION CONTACT: Jeffrey Claypool, Federal Aviation Administration, Operations Support Group, Central Service Center, 10101 Hillwood Parkway, Fort Worth, TX 76177; telephone (817) 222-5711.

SUPPLEMENTARY INFORMATION:

Authority for this Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This

regulation is within the scope of that authority as it would amend the Class E airspace area designated as a surface area and the Class E airspace extending upward from 700 feet above the surface at Bowling Green-Warren County Regional Airport, Bowling Green, KY, and Lake Cumberland Regional Airport, Somerset, KY, to support instrument flight rule operations at these airports.

Comments Invited

Interested parties are invited to participate in this proposed rulemaking by submitting such written data, views, or arguments, as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned regulatory decisions on the proposal. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy-related aspects of the proposal. Communications should identify both docket numbers and be submitted in triplicate to the address listed above. Commenters wishing the FAA to acknowledge receipt of their comments on this notice must submit with those comments a self-addressed, stamped postcard on which the following statement is made: "Comments to Docket No. FAA-2019-0834; Airspace Docket No. 19-ASO-22." The postcard will be date/time stamped and returned to the commenter.

All communications received before the specified closing date for comments will be considered before taking action on the proposed rule. The proposal contained in this notice may be changed in light of the comments received. A report summarizing each substantive public contact with FAA personnel concerned with this rulemaking will be filed in the docket.

Availability of NPRMs

An electronic copy of this document may be downloaded through the Internet at <https://www.regulations.gov>. Recently published rulemaking documents can also be accessed

through the FAA's web page at

https://www.faa.gov/air_traffic/publications/airspace_amendments/.

You may review the public docket containing the proposal, any comments received, and any final disposition in person in the Dockets Office (see the "ADDRESSES" section for the address and phone number) between 9:00 a.m. and 5:00 p.m., Monday through Friday, except federal holidays. An informal docket may also be examined during normal business hours at the Federal Aviation Administration, Air Traffic Organization, Central Service Center, Operations Support Group, 10101 Hillwood Parkway, Fort Worth, TX 76177.

Availability and Summary of Documents for Incorporation by Reference

This document proposes to amend FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019. FAA Order 7400.11D is publicly available as listed in the ADDRESSES section of this document. FAA Order 7400.11D lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Proposal

The FAA is proposing an amendment to Title 14 Code of Federal Regulations (14 CFR) part 71 by:

Amending the Class E airspace area designated as a surface area at Bowling Green-Warren County Regional Airport, Bowling Green, KY, by removing the Bowling Green VORTAC and associated extension from the airspace legal description; and adding an extension within 1 mile each side of the 030° bearing from the airport extending from the 4.2-mile radius to 4.5 miles north of the airport;

Amending the Class E airspace area designated as a surface area at Lake Cumberland

Regional Airport, Somerset, KY, by removing the Bowling Green VORTAC from the airspace legal description; adding an extension within 1 mile each side of the 043° bearing from the airport extending from the 4-mile radius to 4.8 miles northeast of the airport; and updating the name and geographic coordinates of Lake Cumberland Regional Airport (previously Somerset—Pulaski County—J.T. Wilson Field Airport) to coincide with the FAA’s aeronautical database;

Amending the Class E airspace extending upward from 700 feet above the surface to within a 6.7-mile radius (increased from a 6.6-mile radius) of Bowling Green-Warren County Regional Airport; and removing the Bowling Green VORTAC and associated extension from the airspace legal description;

And amending the Class E airspace extending upward from 700 feet above the surface to within a 6.5-mile radius (decreased from an 8.6-mile radius) of Lake Cumberland Regional Airport; removing the Cumberland River NDB and associated extension as they are no longer required; adding an extension 8 miles south and 3.8 miles north of the 228° bearing from the Lake Cumberland Regional: RWY 05-LOC extending from the 6.5-mile radius of the Lake Cumberland Regional Airport to 10 miles southwest of the Lake Cumberland Regional: RWY 05-LOC; and updating the name and geographic coordinates of the Lake Cumberland Regional Airport (previously Somerset—Pulaski County—J.T. Wilson Field Airport) to coincide with the FAA’s aeronautical database.

This action is the result of an airspace review caused by the decommissioning of the Bowling Green VOR, which provided navigation information for the instrument procedures at these airports, as part of the VOR MON Program.

Class E airspace designations are published in paragraph 6002 and 6005, respectively, of FAA Order 7400.11D, dated August 8, 2019, and effective September 15, 2019, which is

incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order. FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures" prior to any FAA final regulatory action.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

Accordingly, pursuant to the authority delegated to me, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

**PART 71 - DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR
TRAFFIC SERVICE ROUTES; AND REPORTING POINTS**

1. The authority citation for 14 CFR part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959-1963 Comp., p. 389.

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11D, Airspace Designations and Reporting Points, dated August 8, 2019, and effective September 15, 2019, is amended as follows:

Paragraph 6002. Class E Airspace Areas Designated as a Surface Area.

* * * * *

ASO KY E2 Bowling Green, KY [Amended]

Bowling Green-Warren County Regional Airport, KY,
(lat. 36°57'52"N., long. 86°25'11"W.)

Within a 4.2-mile radius of Bowling Green-Warren County Regional Airport, and within 1 mile each side of the 030° bearing from the airport extending from the 4.2-mile radius to 4.5 miles north of the airport.

* * * * *

ASO KY E2 Somerset, KY [Amended]

Lake Cumberland Regional Airport, KY
(lat. 37°03'13"N., long. 84°36'56"W.)

Within a 4-mile radius of Lake Cumberland Regional Airport, and within 1 mile each side of the 043° bearing from the airport extending from the 4-mile radius to 4.8 miles northeast of the airport.

Paragraph 6005. Class E Airspace Areas Extending Upward from 700 feet or More Above the Surface of the Earth.

* * * * *

ASO KY E5 Bowling Green, KY [Amended]

Bowling Green-Warren County Regional Airport, KY
(lat. 36°57'52"N., long. 86°25'11"W.)

That airspace extending upward from 700 feet above the surface within a 6.7-mile radius of Bowling Green-Warren County Regional Airport.

* * * * *

ASO KY E5 Somerset, KY [Amended]

Lake Cumberland Regional Airport, KY

(lat. 37°03'13"N., long. 84°36'56"W.)

Lake Cumberland Regional: RWY 05-LOC, KY

(lat. 37°03'38"N., long. 84°36'28"W.)

That airspace extending upward from 700 feet above the surface within an 6.5-mile radius of the Lake Cumberland Regional Airport, and within 8 miles south and 3.8 miles north of the 228° bearing from the Lake Cumberland Regional: RWY 05-LOC extending from the 6.5-mile radius of the Lake Cumberland Regional Airport to 10 miles southwest of the Lake Cumberland Regional: RWY 05-LOC.

Issued in Fort Worth, Texas, on November 18, 2019.

Steve Szukala,
Acting Manager, Operations Support Group,
ATO Central Service Center.
